

H2M architects + engineers STEAM Scholarship Scholarship Application

The H2M architects + engineers STEAM Scholarship is awarded on the basis of merit and character to a graduating senior who is planning to attend college and enroll in a science, technology, engineering, architecture, or math (STEAM) degree program.

eligibility + selection criteria

- Applicant must be a high school senior planning to enroll in a science, technology, engineering, architecture, or math (STEAM) course of study in the fall and considering a career in our industry
- Applicant must be accepted to an accredited college or university in a STEAM degree program
- Applicant must not be an employee or family member of a current H2M architects + engineers employee
- Academic achievement is a significant factor in the selection process; however, there are no minimum requirements in order to apply

application process

- Completed Application Form
- Personal essay (500 words min.) describing your career goals in science, technology, engineering, architecture, or math
- Current resume with any extracurricular achievements and community organizations
- High school transcript
- Two (2) recommendations from teachers and/or guidance counselors
- Additional information that shows your interest in problems and issues related to these professions through job experience, volunteer work, high school course work, special projects, etc. *(if applicable)*
- Please email the complete list of materials to H2Mscholarships@h2m.com to submit your application
- Alternatively, you can submit your application via US Mail by mailing the complete list of materials to:
ATTN: H2M Scholarships, H2M architects + engineers, 538 Broad Hollow Road, 4th Floor, Melville, NY 11747

scholarship amount

- \$1,000 scholarships, to be awarded during a ceremony at H2M's Melville headquarters at the conclusion of the recipient's senior year
