

Nonfiction Journal Writing April 2019

This month children can choose a topic of research to do at home. It should be different than what they are researching at school. Your child can choose any nonfiction topic. They can use books or websites. Below is how to access Pebble-go. It is an excellent resource for second grade. Should your child choose they can share their research with the class by making a book, poster, diorama or any other way they would like. The can take notes on their journal or on the Narrowing the Topic sheet.
