

## Turn Over 10

**Materials:** Deck of Number Cards 0–10 (four of each) plus four wild cards

**Players:** 2 to 3

### How to Play

The object of the game is to turn over and collect combinations of cards that total 10.

1. Arrange the cards face down in four rows of five cards. Place the rest of the deck face down in a pile.
2. Take turns. On a turn, turn over one card and then another. A wild card can be made into any number.

If the total is less than 10, turn over another card.

If the total is more than 10, your turn is over and the cards are turned face down in the same place.

If the total is 10, take the cards and replace them with cards from the deck. You get another turn.

3. Place each of your card combinations of 10 in separate piles so they don't get mixed up.
4. The game is over when no more 10's can be made.
5. At the end of the game, make a list of the number combinations for 10 that you made.
