EMERGENCY INFORMATION

It is very important for us to have your correct address, phone number, and information as to where you can be reached during the day in case of an emergency.

All parents/guardians will receive an email from “New Paltz Central School District” in late August with all the necessary information that needs to be updated and signed before the start of school. The back to school information will also be linked on the Middle School website under parent information/back to school packet. Students must have the emergency information completed in order to attend field trips and other school events.

EMERGENCY PROCEDURES

Should there be an emergency situation, as soon as information is available it can be found by visiting the school website.

If an emergency situation develops in any one school necessitating the immediate removal of students and staff, the following procedures will go into effect:

1. The building will be immediately evacuated and the District emergency plan will be followed.
2. If the building under consideration is declared safe by school and other governmental officials, students will be returned to the school and classes will resume until the normal dismissal time.

DROP OFF & PICKUP PROCEDURES

Students who walk or are dropped off to school should use the front parking lot entrance (please use the clearly marked drop off zone area). Students should enter the building using the front ramp door. Students who ride the bus should enter through the courtyard (student support center) only.

Students are not permitted to leave school grounds once they are dropped off at the Middle School, either by guardian or bus. Under no circumstances are students to be picked up or dropped off on Lincoln Place or in the bus circle, as these are areas set up specifically for our buses. Buses depart from the Middle School promptly at 2:45pm. Unless students are staying after school with a pass, for clubs or sports they need to leave the school campus by 2:45pm.

BICYCLE RIDERS AND WALKERS

Students are permitted to ride their bicycles and/or walk to school. Students must use the sidewalks and crosswalks when walking or riding their bikes. Please do not walk or ride through the parking lot. It is recommended that bicycles be chained and locked to the bicycle rack located in the front of the building.

ATTENDANCE

There is a definite relationship between regular attendance and success in school. Parents/Guardians are urged to impress upon their children the importance of punctuality and regular attendance. Excused absences include sickness, a death or serious illness in the family, observance of certain religious holidays, and a requirement to be in court. Medical and other appointments should be scheduled after school if at all possible. ([See NPCSD Board Policy #7110](#)).

Parents, if your child will be absent from school, please email MSAttendance@newpaltz.k12.ny.us with the reason or, upon their return, provide a written note advising the school of the reason for your child's absence or tardiness.

When a child is picked up from school early, a parent/guardian or emergency contact is required to sign the student out through the Raptor system in the main vestibule. A photo ID is required for this process.

BEGINNING THE SCHOOL DAY

Upon entrance into the Middle School, students are to report **directly** to the gym (6th and 7th graders) or the auditorium (8th graders). When released by school staff, students will have time to go to their lockers before reporting to their first period class.

Attendance is taken at the start of first period. It is very important that students be on time for their class as this is where students will watch/listen to the morning announcements. During announcements, students are expected to listen so that they may receive important information concerning the school day, after school activities, and upcoming events. Announcements are also posted on the Middle School website.

DIGNITY FOR ALL STUDENTS ACT (DASA)

DASA seeks to provide the State's public elementary and secondary school students with a safe and supportive environment free from discrimination, intimidation, taunting, harassment, and bullying on school property, a school bus and/or at a school function. If you feel that someone is disrupting your educational experience, contact the DASA Coordinator.

CONDUCT AND ATTITUDE

All students are expected to behave in a reasonable and acceptable manner while at the Middle School. Students are in school to grow academically, emotionally and socially. Mutual respect is a phrase each student should come to understand and practice with adults and fellow students. Disrespectful or inappropriate behavior will not be permitted. Student attitude is reflected in a variety of ways including promptness, attention to details, work submitted, concern for other individuals and responsible judgment.

PUNCTUALITY AND PREPARATION

Students are expected to arrive at class on time, with all necessary supplies, such as books, pens, pencils, paper and a fully charged chromebook. Students arriving late for class disrupts the class for other students, the teacher and they miss part of their education. Continued late arrivals or being unprepared for class will result in parental contact by the teacher. Students showing up without a pass, should be noted as late and assigned a consequence as deemed appropriate by the classroom teacher. Three unexcused lates to school will result in a lunch detention.

STUDENT GUIDELINES

- Walk and remain on the right side of the hallways and staircases
- Only one person is allowed in a single use bathroom or bathroom stall
- Sunglasses are not permitted for indoor use, unless medically required
- Backpacks or their equivalent are not permitted to be carried in the hallways or classrooms (Bags/purses that are large enough to carry an 8 ½ X 11 notebook or folder will be considered a backpack).
- Water is the **only** beverage permitted outside the cafeteria (must be in an unbreakable and resealable container). Water filling stations are provided.
- Due to allergies, candy/gum is not permitted during the school day
- Selling of items for personal profit is not permitted
- Eating in classrooms is prohibited unless given permission by the staff member in charge

CAFETERIA AND RECESS RULES

1. Students will walk to the cafeteria, form a single file line, and arrive on time.
2. **No food, beverage, or condiment may be taken out of the cafeteria.**
3. **Chromebooks are NOT permitted during lunch/recess and should be in your locker for safe keeping.**
4. Students will be dismissed from their tables when the adult in charge dismisses them.
5. Throwing of food is prohibited. Students will be responsible for cleaning up any mess that is made. Further disciplinary actions will also be taken.
6. Students are to go to designated areas during recess. Students found in areas off limits will face disciplinary action per the code of conduct
7. Students are not to engage in dangerous behavior and must follow the directions of the adults in charge.

ASSEMBLY BEHAVIOR

Assemblies are valuable learning experiences and are provided as part of the school's educational and cultural program.

1. Classroom rules and regulations also apply during assembly programs. Those who attend assemblies are expected to be courteous to the performers, faculty and fellow students.
2. Students will leave their classrooms with their teachers in a quiet and orderly fashion.
3. Classes will go to their seats in a single file line and will sit with their teachers in the rows assigned to them.
4. Applause is acceptable when someone is introduced and when they have completed their portion of the program. Booing is never an acceptable response.
5. Exiting from the auditorium or gym will be done in an orderly manner. Classes should remain seated and quiet until told to exit.

*Disruptive students will be removed from the assembly and disciplinary action will be taken.

BEHAVIOR ON BUSES

Students on school buses are under the authority of the bus driver and must follow directions of the adult. School buses are an extension of school property. Therefore, all rules in effect during the school day are extended to students while riding the bus. Please see the district calendar for specific information regarding bus routes and safety.

Should your students receive a referral from the bus driver, the first offense will result in a meeting between the student and school administrator to respond to the referral and review bus safety rules. Parents/guardians will be notified. Serious and/or second offenses may result in a meeting between the student, driver, administrator, and include a range of possibilities designed to ameliorate inappropriate behavior. Parents/guardians will be notified of all referrals and corrective actions. Students may be suspended from the bus as deemed appropriate by the administrator in consultation with parties involved.

If for any reason your child needs to take a different bus on a given day, a written note with guardian signature must be brought to the front desk in the morning for the student to obtain a bus pass. A bus pass will not be issued based on verbal instructions over the phone.

Once a student has boarded the bus, they are to remain on the bus and will not be allowed off without administrator approval.

SOCIAL EVENTS BEHAVIOR

During the school year, there will be co-rec activities for Middle School students, and a special end-of-the year event for 8th graders in June. These activities are a privilege. Students not behaving appropriately will lose this privilege. All students are to follow the direction of the adults in charge. Only NPMS students will be allowed to attend. Improper behavior at co-recs will result in parents being called and asked to pick up their child immediately. The privilege of attending future events will be jeopardized. All regular school rules apply. Parents should be aware of the time the activity is over and be at the school to pick up their child promptly since chaperones will leave at the end of the activity. Students who have been suspended for disciplinary reasons will not be permitted to attend social events at the school.

FIELD TRIPS

Field trips are regarded as an important component of our instructional program. Accordingly, rules and regulations concerning student behavior extend to those occasions when students are involved in a field trip. This includes appropriate behavior on the bus as well as at the trip location itself. It is of critical importance that parents fill out the field trip permission slip and return it to the school by the assigned due date. Please note that the form requires you to comment on any medical condition we should be aware of regarding your child. The school nurse is required to be notified at least three days prior to the trip. Students will not be permitted to attend a field trip with verbal or written permission; ONLY Middle School permission slip forms are acceptable.

ELECTRONIC DEVICES

All personal devices (i.e. phones, earbuds, iPods, laptops, tablets, cameras or any bluetooth device) are not permitted in school. If you have a school issued chromebook, please read the electronic device user agreement: [Acceptable Use Policy Link](#)

It is in violation of the district code of conduct to use tablets, chromebooks or cell phones to take or send photos, make audio or visual recordings, and/or upload/share any of these items with others including, but not limited to, posting on social media.

STUDENT CELL PHONES

1. Cell phones must be powered off upon entering the building
2. Cell phones must be in your locker for the entirety of the school day including lunch and recess

* Any device that functions like a cell phone must follow the same guidelines (ie. smart watches, tablets, etc)

Parents and students take full responsibility for cell phones, smart watches, earbuds, and any other personal device that is damaged or missing.

Cell phones are not permitted to be used at any school sponsored event including, but not limited to, field trips, concerts, and sports.

Failure to comply with guidelines will result in:

1st Offense – Verbal Warning

2nd Offense – Cell phone (or other device) is confiscated and placed in the Main Office safe until the end of the day for the student to pick up

3rd Offense & beyond – cell phone confiscated, the parent contacted to pick up the cell phone

* Code of conduct will also be followed

PARENT COMMUNICATION

We understand that students may need to communicate with their families.. If a parent calls, school staff will contact your child and have them contact you on the school provided phone during lunch/recess so that student learning is not impacted.

Parents/guardians, please DO NOT contact your child on their cell phone as it will be turned off and in their locker. Please know that students may communicate after dismissal (at 2:37pm) using their cell phones.

LOCKERS AND LOCKS

Lockers are provided for each student's use. Students are reminded to keep lockers locked at all times when not in use. It is the responsibility of the student to learn their lock combination and to keep it secure. **Students can not move to another locker.** Sharing of lockers is not permitted. Backpacks are to be stored in student lockers during the school day. Be mindful that rolling backpacks generally do not fit in school lockers. Students are strongly discouraged from bringing valuables into the school building. Only school issued locks can be used on school lockers. Any problems with lockers should be reported to the Main Office. Gym lockers and locks will be issued to students by their physical education teacher for gym use only.

HALL PASSES

Your schedule assigns you to a definite class or area for each period of the day. If you have a legitimate reason for being elsewhere, the teacher in charge must issue a pass, or make a notation in your planner designating the time you leave and the place you are going. Students without passes will be asked to return for a pass from the teacher who sent them out originally. Students should not be leaving classes daily or multiple times per day. Abuse of hall passes will result in pass restrictions.

DETENTION AND SUSPENSIONS

Failure to obey school rules and regulations can result in:

Lunch Detention

Students must bring schoolwork to detention. Lunch may be brought from home or picked up from the cafeteria during lunch. Talking is not permitted during detention. Lunch detention given by a teacher will be covered by a teacher.

After School Detention

Students will stay after school on the day assigned and may go home on the late bus, be picked up by a parent or walk/ride their bike home. A late bus is provided Monday through Friday.

Parent/guardian contact will be made about the detention. If contact is not made, the detention will be postponed until such time that parents/guardians are appropriately notified.

In-School Suspension (ISS)

The student is suspended from regular classes and the cafeteria but will remain in school. Regular class assignments will be provided and are to be completed during the school day. All students assigned to ISS are to report to the Main Office upon arrival at school.

Students in ISS are allowed to purchase a lunch during a lunch period or bring one from home. Students who are on suspension will not be allowed to participate in school functions such as picnics, field-trips, social events, field events, athletics or other co curricular activities on that day. A parent conference may be necessary for a student to be readmitted to class.

Out-of-School Suspension (OSS)

The student is suspended from school for a period of time determined by the principal but not exceeding five days. Suspended students are not permitted on the school grounds. A parent conference may be necessary for a student to be readmitted to school.

Superintendent's Hearing

Severe discipline problems and recurrence of other problems will result in a hearing where the student will appear with their parent/guardian and counsel, if so desired. The Superintendent will decide if further disciplinary actions are to be taken.

STUDENT SUPPORT CENTER

The purpose of the Student Support Center is to help students resolve student conflicts, concerns and/or problems during the school day. Students may speak with a counselor either individually or in a small group. Information shared between a student and school counselor is held in confidence unless the information provided falls under the required state mandated reporting. Students need to ask their teacher to go to the Student Support Center, the teacher will then call to see if someone is available prior to sending the student down. Students are not to go to the Student Support Center between classes or without a pass from a classroom teacher.

STUDENT CONFLICT

There are appropriate ways of handling conflicts with other students. Follow the following procedure when there is a student conflict:

1. Speak to the other student.
2. Speak to a teacher or trusted staff member.
3. See someone in the student support center office.
4. If the first three are not satisfactory, see the Assistant Principal or the Principal.

LIBRARY/MEDIA CENTER

Library Book Selection-all Middle School library book purchases are based on reviews in two professional journals – Booklist and School Library Journal as well as teacher and student requests. In order to meet the reading levels and interests of our students, selected books are reviewed for grades 5 and up as well as adult books for *young adults*. The Middle School library is available to our students during the school day and after school (with a pass) until the late bus arrives.

SCHOOL ISSUED ITEMS

Students must return all school issued books, equipment, supplies, locks, sports uniforms and chromebooks. If any school items are lost, stolen or damaged, they will need to be replaced at the family's expense.

LOST AND FOUND

Anyone finding a lost article should turn it in to the Main Office immediately. Book bags, hats, water bottles and clothing should be brought to the shelves across from the gymnasium. Anyone who has lost an article should check the shelves and Main Office as soon as possible. Lost items should be reported to the Main Office as soon as possible, and if not found, a description will be read on the morning announcements. Parents and students should see to it that all personal articles and books are properly identifiable. This is especially true in the case of eyeglasses.

HOMEWORK

Homework is to be expected in Middle School. Homework is a tool that is used to facilitate learning in the classroom. Homework is designed to provide follow up from a day's lesson and/or prepare a student for the next day's lesson. While they are not officially evaluated, they are specifically connected to the skills checks, quizzes, and major assessments that will be formally evaluated with a grade. If a student is absent, they should utilize the tools that the teacher has put in place for their classroom for communicating daily work.

GRADE REPORTING

The school year is made up of four quarters of instruction. Grades are reported via Parent Portal through Power School at the end of each quarter. Should you have concerns about your child's academic progress, please contact your child's teacher directly.

Report card grades are reported in numeric format (i.e. 81, 89, 94) with a passing grade being a 65.

Progress reports are available on Parent Portal at the midpoint of each quarter. This provides students, parents and guardians with an overview of each class prior to final quarter grade reporting.

** Students with failing final grades for the year may be required to attend summer school.

PARENT CONCERNS

From time to time situations may arise that cause concern for parents/guardians. In most cases these are the result of misunderstandings and can be resolved through an open discussion by those involved. If such occasions arise, the following procedure is recommended:

1. If the concern involves a teacher or a situation in the classroom, call the Middle School and request that a conference be arranged with the teacher.
2. If no teacher is involved, call the Middle School and request a conference with an administrator.

EMERGENCY SCHOOL CLOSING

Student safety is always the highest priority when deciding whether to close or delay school in inclement weather. Please note: When school has been closed due to weather, all school and District Offices are also closed. All outside user group activities are also canceled for the day/evening if school is closed. You may also find school closing information at www.cancellations.com and on many of our local radio stations. You can now sign up for text alerts: <http://www.newpaltz.k12.ny.us/textalerts> for closings and delays. Or, you can visit the District homepage at www.newpaltz.k12.ny.us

GUIDELINES OF SCHOOL DELAY/CLOSING

The guidelines and procedures presented in this notice will be followed except in very unique circumstances which would cause school officials to take alternate action. You are asked to familiarize yourself with these procedures.

1. **SURFACES:** Road conditions, school driveways, and parking lots need to be declared safe for use by the responsible governmental units.
2. **ICE:** Surfaces must be sanded. It is expected that buses will not end the routes with the sanded surface covered by new icing.
3. **TEMPERATURE:** When the temperature is below -15 degrees Fahrenheit at 5:15 AM, a delay will occur. At 7:15 AM the final decision to open or close schools for the day will be made. This decision will be based on the temperature at that time and the forecast for the day provided by the professional weather service contractor.
4. **WIND CHILL:** When the wind chill factor is predicted to be below -25 degrees Fahrenheit at 5:15 AM, a delay will occur. At 6:00 AM the final decision to open or close schools for the day will be made. This decision will be based on the temperature at that time and the forecast for the day provided by the professional weather service contractor.
5. **AFTER SCHOOL STARTS:** When a storm arrives after school starts, the schools will remain open unless a heavy snowfall or other severe weather is predicted to continue into the afternoon hours. If this is the case, then the schools may close earlier. The Transportation Office will notify the radio stations of early dismissal times. Lunch will be served prior to dismissal whenever possible.

HEALTH SERVICES, PHYSICAL EXAMINATIONS

All pupils are provided health services in accordance with state requirements. A nurse is in attendance daily to administer emergency first aid and to help with each student's health problems. Individual student health records are maintained by the school nurse, indicating medical history, immunization records, height, weight, sight, hearing and color perception. Scoliosis screening tests are done on each student annually and parents are notified if their child fails to pass the screening test.

Seventh Grade Physical

All 7th grade students must have a medical appraisal using the form provided by the school district. This physical may be done by the family physician or during the annual school physicals for this grade level.

School District Insurance Plan

In case of an injury during the school day, the student should immediately report to the Health Office and give the nurse specific information relating to the accident. The parent will then receive a claim form in the mail from the District. This form should be completed and returned to the District for forwarding to the insurance company.

In case of an injury during extracurricular and sports activities, the student should report to the Health Office as soon as possible on the next school day to report the injury and fill out the necessary forms.

New Students

All new entrants to the district must have a medical appraisal by their family physician using the form provided by the school district.

FIRE DRILLS

Fire drills are conducted for student safety and preparation for any emergency which may arise. Signs are posted in classrooms and elsewhere with directions to stairways and exits. Students must move quickly, silently and in an orderly fashion to the proper exit when the alarm sounds and follow the directions of the teacher in charge at all times. Students should remain quiet so that all persons can hear any information or directions shared.

LOCKDOWN DRILLS

Students should follow the directions of the teacher in charge at all times and remain quiet.

VISITORS

All visitors must sign-in at the front desk. Visitors will receive a name tag, which should be prominently displayed while in the building. Upon leaving the building, visitors should return to the front desk to return the name tag and sign out.

PTA

We are thrilled to have an active, supportive Parent-Teacher Association. This group of dedicated people provides many exciting events for our students throughout the year. They also support teachers in numerous ways and provide assistance and refreshments for various activities including, 6th Grade/New Student Orientation and Open House. Several fundraising events are held during the year to support their efforts. All parents and teachers are encouraged to join the PTA and help with any projects they can. We meet in the Middle School library beginning at 6:00 pm, unless noted differently.

PTA Meeting Dates: 9/12/23, 10/10/23, 11/14/23, 12/12/23, 1/9/24, 2/13/24, 3/12/24, 4/9/24

STUDENTS STAYING AFTER SCHOOL

Students may not remain after school unless they have specific arrangements with teachers for extra help, are attending clubs/sports or plan to go to the library to complete school work. When staying after school, students should report directly to their scheduled activity/event. "Hanging out" to clean lockers or "be with friends" is not a reason to remain after school. If students stay after school for an activity, they are not allowed to leave school grounds and return to the school (i.e. pizza, deli). **Once a student leaves school grounds, they are not allowed back in the building or able to take the late bus home.**
