Dear New Paltz High School Families,

We are pleased to announce the names of the two members of the class of 2022 who have been named this year's Valedictorian and Salutatorian. Each of these students has devoted countless long hours and a tremendous amount of hard work and dedication to their studies at NPHS to receive this time-honored recognition. The valedictorian of a graduating class is the student who has the highest weighted grade point average. The salutatorian of a graduating class is the student who has the second-highest weighted grade point average.

This year's salutatorian is Phoebe Eis and the valedictorian is Lora Johnson. Congratulations to both of you and your families on this wonderful accomplishment.

Just smile,
Samuelle

A talented artist, Joey Guarente completed this recently. The initial image was hand drawn on paper with pencil, then brought into Adobe Illustrator to "Image Trace" and after some fine tuning of the adjustments, converted the lines to Vector. The color treatment was also done in Adobe using a digital paintbrush.- Mr. Woods
