

HIGH SCHOOL SOCIAL ENTREPRENEURSHIP PROGRAM

One-week career and college readiness program for high school sophomores, juniors, and seniors focusing on social entrepreneurship

- Learn from experienced entrepreneurs, college business professors, and community leaders
- Develop your passion for solving a problem and designing solutions that advance innovation
- Test your mindset, strategic planning, and leadership skills in preparation for the school year
- Participate in fun experiential learning challenges with leading entrepreneurs and experts
- Gain insights and leadership tips from guest speakers and business professionals
- Present a new business or project concept to a panel of business and community leaders

**JULY 29 -
AUGUST 2, 2024**
\$350 PER STUDENT

The Hudson Valley Venture Hub at SUNY New Paltz School of Business is the Mid Hudson Region's Innovation Hot Spot leading the entrepreneurial ecosystems in the Greater Hudson Valley. The Hub connects businesses to organizations and services and provides highly individualized business incubation services to accelerate startup and other companies relocating to and operating in the region.
